

Thank You for Your Donation

Your tax deductible donation will:

- Help a military servicemember recuperate well
- Uplift the lives of disaster emergency service workers
- Increase the capacity for disaster victims to rebuild

When Disaster Strikes... Individuals hurt and entire communities suffer. The need for trauma relief is great as the result of unattended grief, PTSD and the effect this has on victims, workers, their families, and communities.

Moving On - Minimizing the Effects of PTSD... Your tax deductible donation will make it possible to provide war veterans, disaster workers and victims the opportunity to recuperate well With 3 very full days and 4 nights devoted to caring for their own mental health.

"The price of relief, counsel and support is not too expensive if we take a closer look at the rising cost of unattended grief, PTSD and the enormous effects on its victims, their families and entire communities."
